

# ABOUT OUR DEFIBRILLATORS

As a registered distributor for HeartSine and Lifepak defibrillators, below are some key models.

## The PAD 500P

**\$2695**

A semi-automatic defibrillator that is operated by using two buttons. It features clear and simple voice prompts for users, and visual prompts to assist the rescuer in noisy or multi-lingual environments. In addition, the 500P features unique patient specific CPR feedback which instructs the user to push harder, faster, slower or reassures you that you're doing it right.

## The PAD 350P

**\$2195**

A semi-automatic defibrillator that is operated by using two buttons. In addition, it provides audio prompts to users and metronome for CPR timing, and features visual representations of how to use the device.

## The PAD 360P

**\$2195**

A fully automatic defibrillator that is operated by using a single buttons. In addition, it provides audio prompts to users and metronome for CPR timing, and features visual representations of how to use the device.

## The CardiAct 25 Cabinet

**\$149**

Steel AED Wall Cabinet capable of housing HeartSine defibrillators. Latches closed and is lockable. Creates a visual centrepiece for the AED with ARC approved signage on all sides.
